Re: Case No. 98-G-0263

National Fuel Gas Distribution Corporation

Dear Secretary Crary:

National Fuel Gas Distribution Corporation ("National Fuel" or the "Company") submits the following amendment to its tariff, P.S.C. No. 8- GAS:

First Revised Leaf No. 275

The revised tariff sheet is issued as of today's date for an effective date of June 10, 1998.

**BACKGROUND**

The instant amendment is submitted in compliance with the Commission's order, issued in Case 98-G-0263 on June 4, 1998, directing the Company to revise the tariff for the reasons described ("Order"). More particularly, the Order requires the Company to amend Service Classification No. 20 (Department of Social Services Transportation, Balancing and Aggregation) clarifying that the service is available only to the Department of Social Services agencies in Chautauqua and Erie counties, as intended by Commission order issued March 19, 1998.

**NOTICE**

The enclosed tariff amendment is submitted at the direction of the Commission in compliance with the Order. Accordingly, additional notification under the State Administrative Procedure Act is not required.

The requirement of the Public Service Law for newspaper publication of the change proposed in this filing has been waived as provided in the Order, page 2.

Thank you for your attention to this matter.

Very truly yours,

Michael W. Reville  
Senior Regulatory Attorney
