Housekeeping Change to Central Hudson's  
Electric Tariff Table of Contents

Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files a proposed tariff change to address a housekeeping issue related to the Company's Electric Tariff ("tariff") Table of Contents. Central Hudson is issuing the attached proposed amendment on September 19, 2002 to become effective on November 1, 2002.

P.S.C. No. 15 - Electricity

8th Revised Leaf No. 3

The Company proposes to change the description, within the table of contents, of General Information Section 33 from "Cable Television Annual Pole Attachment Rental" to "Pole Attachment Rates" to appropriately reference Section 33 which provides pole attachment rates applicable to both cable system operators and telecommunications carriers. This change had been proposed on 6th Revised Leaf No. 3, which was pending at the time that the 7th Revised Leaf No. 3 was made effective. The above referenced amendment does not change any terms, conditions or rates included in the tariff but more accurately reflects the contents of the tariff.

Questions related to this filing should be directed to Glynis L. Bunt at 845-486-5420.

Yours very truly,

Arthur R. Upright
