Dear Commissioners:

In accordance with Commission rules, Central Hudson hereby files electronically the following gas tariff supplement:

Gas - P.S.C No. 12

Supplement No. 11

The purpose of this filing is to postpone until March 1, 2002 the effective date of the following rate leaf, which was filed to request that the provision allowing for the modification of the ceiling prices for interruptible service be made permanent. The request for the postpone of this tariff is made to accommodate the change in the Commission session date from February 20, until February 27, 2002.

Gas - P.S.C No. 12

1st Revised Leaf No. 167.1

This supplement is filed February 15, 2002 to become effective on March 17, 2002. The Company requests that the Commission waive the notice requirement and allow this supplement to become effective on short notice on February 18, 2002.

Central Hudson also requests that the requirements of 66((12)(b)) of the Public Service Law as to newspaper publication be waived because the proposed changes will not impact any of our customers.

Very truly yours,
