Dear Commissioners:

Case 97-E-1152
Service Classification Nos. 2 and 12 - Special Metering Provisions

In compliance with the Public Service Commission's July 26, 2000 Order in the above referenced proceeding, Central Hudson Gas & Electric Corporation files the following tariff leaves to become effective on one day's notice, August 10, 2000.

PSC No. 15 - Electricity

2nd Revised Leaf No. 170
2nd Revised Leaf No. 240

These tariff changes grandfather the Special Provisions in Service Classification Nos. 2 and 12 which allow customers to be metered and served at different voltage levels.

Yours Very Truly,

Arthur R. Upright
