Honorable Debra Renner, Acting Secretary
Public Service Commission
3 Empire State Plaza
Albany, New York 12223

Dear Acting Secretary Renner:

The enclosed supplement issued by Niagara Mohawk Power Corporation, is transmitted for filing in accordance with the requirements of the Public Service Commission, State of New York:

Supplement No. 6

To PSC No. 214 Electricity

Issued: October 21, 1999

The purpose of this filing is to further postpone the effective date from October 26, 1999 to November 11, 1999 for the filing issued August 12, 1999 proposing to amend the Company's tariffs for specific conditions associated with the administration of the New York Independent System Operator (NYISO). This filing specifically proposed tariff revisions that addressed retail tariff amendments.

As requested in the original filing letter, this postponement is requested due to the fact that the implementation date of the NYISO has been further delayed to November 11, 1999 and the leaves filed are directly linked to this implementation date.

Waiver of short notice on less than statutory time is requested for this filing to allow this Supplement to become effective October 26, 1999 so as to be coincident with the effective date of the leaves presently before the Commission in this matter.

Also, the Company requests waiver of newspaper publication for this filing.

Please advise the undersigned of any further action regarding this proceeding.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
