Re: 98-G-0122 - Proceeding on Motion of the Commission to Review the Bypass Policy
Relating to the Pricing of Gas Transportation for Electric Generation

Dear Acting Secretary Renner:

Attached for filing electronically with the Commission are the following tariff leaves, issued by
The Brooklyn Union Gas Company ("the Company"), to become effective on May 18, 1999:

Original Leaf Nos. 427.1 through 427.22

to Schedule for Gas Service, PSC NO. 12-GAS.

The purpose of this filing is to comply with the Commission's Order in the above referenced case. Pursuant to the Order, the enclosed leaves establish a new service classification, Service Classification No. 20 - Non-Core Transportation Service for Electric Generation (S.C. 20). S.C. 20 is comprised of two Rate Schedules. Rate Schedule 1 offers tariffed rates and charges for transportation service for electric generation for qualifying customers. Rate Schedule 2 provides the option to negotiate service levels and commensurate charges which vary from the tariffed rates and charges.

If you have any questions regarding this filing, please contact Nancy Cianflone at (718) 403-2505.

Respectfully submitted,
THE BROOKLYN UNION GAS COMPANY
