**NIAGARA MOHAWK POWER CORPORATION**

April 21, 1998

Mr. John C. Crary  
Secretary  
State of New York  
Department of Public Service  
Three Empire Plaza  
Albany, New York 12223

Dear Secretary Crary:

The enclosed postponement supplement, issued by Niagara Mohawk Power Corporation, is transmitted for filing in compliance with the requirements of the Public Service Commission.

**Supplement No. 2**

To: P.S.C. No. 218 Gas

Issued: April 21, 1998

The enclosed supplement requests postponement of First Revised Leaf No. 151 filed by Niagara Mohawk Power Corporation on January 22, 1998. This postponement has been filed at the request of the Commission's staff, in order to allow time for further review.

The Company requests special permission for the postponement supplement to become effective on less than statutory notice effective May 1, 1998, to be coincident with the effective date of the pending leaf. The Company also requests waiver of advertising required under the provisions of 16NYCRR 270.70 in that the P.S.C. No. 218 tariff has previously been advertised and that the proposed delay will have no impact on the general body of ratepayers.

Sincerely,

David P. Stempowski  
Senior Rate Analyst
