Ms. Janet Hand Deixler
Secretary
New York Public Service Commission
3 Empire State Plaza
Albany, NY 12223-1350

Dear Ms. Deixler:

The Village of Wellsville hereby files "housekeeping changes" to its Concurrence Tariff currently effective on a temporary basis as ordered in Case No. 98-E-0558. These changes are being proposed following discussion with Commission staff. The Village requests that the Commission waive its newspaper publication requirement because the filing will have no effect on its customers.

Sincerely,

Phillip Hyer
Electric Supervisor
