Re: Case No. 99-G-1949

Dear Secretary Deixler:

Transmitted herewith for electronic filing are the following revised tariff leaves by KeySpan Gas East Corporation d/b/a KeySpan Energy Delivery Long Island (KED LI, KeySpan LI) to become effective November 22, 2002:

Seventh Revised Leaf No. 150
Third Revised Leaf No. 176

to Schedule for Gas Service, P.S.C. No. 1-GAS

This filing is a housekeeping change to correct the "Imbalances in Customer's Account" section of Service Classification No. 7 - Interruptible Transportation Service and Service Classification No. 13 - Temperature-Controlled Transportation Service. The titles for the imbalances were incorrect. The cashouts for overdeliveries should be based at the Company's Weighted Average Commodity Cost of Gas and underdeliveries should be based at the *Gas Daily* New York Transco Zone 6 Midpoint price.

If you have any questions regarding this filing, please contact Michael Bauer at (516) 545-3855.

Respectfully submitted,

KEYSPAN GAS EAST CORPORATION
