Dear Secretary Deixler:

Enclosed is an electronic version of a revised Transportation Sales Service Rate Statement No. 30. This Statement was previously issued on June 28, 2000 as Statement No. 29. After it was filed it was discovered that there was an error in setting the rate. The rate set fell below the minimum allowable rate. There are no customers that were billed under the old rate. In talking with P.S.C. staff it was indicated that the Company could file a revised statement with an issue date of June 30, 2000.

Very truly yours,

Ronald J. Grabowski
