Re: Case No. 98-G-0013
National Fuel Gas Distribution Corporation

Dear Secretary Crary:

Subsequent to the proposed electronic tariff filing, National Fuel Gas Distribution Corporation ("National Fuel" or the "Company") filed a change to its current tariff, P.S.C. No. 7 - Gas, relating to the allowance for losses provision in Service Classification No. 28 in Case No. 97-G-2164. Pursuant to the Commission's Order in Case No. 98-G-0013 issued and effective March 23, 1998, National Fuel was instructed to incorporate this change into the electronic tariff to become effective on not less than one day's notice. The Company submits the following revision to its Tariff, P.S.C. No. 8 - Gas:

First Revised Leaf No. 245

The proposed amendment is issued as of the date hereof for an effective date of April 1, 1998.

The Company requests waiver of newspaper publication on the grounds that it would be an unnecessary expense. Those customers who may have an interest in this filing will be personally notified by the Company.

Respectfully submitted,
Michael W. Reville
Senior Regulatory Attorney
