RE: Massena Electric Department – Case #08-E-1246

Dear Secretary Brillling:

Attached for filing with the Commission is Revised Tariff Leaf 36 to the Schedule for Electric Service P.S.C. No. 2 ELECTRICITY issued by Massena Electric Department ("Massena") to become effective January 29, 2009. The purpose of this filing is to amend Massena's October 17, 2008 filing which revised the method Massena uses in calculating its Purchase Power Adjustment Charge (PPAC). Massena also requests that this leaf goes into effect on January 16, 2009 on short notice.

As this filing merely adds language explaining the 10% cap being proposed, permission is requested for a waiver from the Commission's regulations governing newspaper publication of this filing.

Respectfully submitted,

A handwritten signature in black ink that reads "Frank W. Radigan". The signature is written in a cursive style with a large, stylized initial "F".
