Ms. Del Vecchio,

The company is requesting an additional postponement for our rate increase filed on or about on April 22, 2008 with the State of New York Department of Public Service. We previously request the date for our rate increase move forward from October 1, 2008 to January 1, 2009 on August 8, 2008. We formal request the date for our rate increase move forward from January 1, 2009 to June 1, 2009. The postponement will allow the company additional time to procure the necessary land transfers from JLNK. Thank you for your attention and cooperation.
