RE: Case 03-G-0766 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Rochester Gas and Electric Corporation for Gas Service

Dear Secretary Brillling:

The enclosed tariff leaves, issued by Rochester Gas and Electric Corporation ("RG&E") are transmitted for filing in compliance with the New York Public Service Commission ("PSC" or "Commission") Order Adopting Provisions of Joint Proposals With Conditions, issued and effective May 20, 2004 (the "Order") in the above-referenced proceeding, and Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The leaves will become effective January 1, 2009.

Seventh Revised Leaf No. 70 to PSC No. 16 Gas
Sixth Revised Leaf No. 127.17 to PSC No. 16 Gas

Section VII.2 of the Gas Rate Joint Proposal (GRJP) approved per the Order in the above referenced proceeding, directs RG&E to reset its Factor of Adjustment (FA) on January 1 of each year if the change in the FA is greater than five percent (up or down) from the effective FA. The FA will be reset based on the average of the actual lost and unaccounted for volumes immediately preceding three 12-month periods ending August 31. The attached filing updates the FA per the terms of the GRJP.

Any correspondence or questions regarding this filing should be addressed to me at (607) 762-7341.

Very truly yours,
