Dear Secretary Brilling:

The enclosed statements, issued by Rochester Gas and Electric Corporation ("RG&E" or the "Company"), are transmitted for filing in compliance with the requirements of the Public Service Commission ("PSC" or "Commission") of the State of New York:

P.S.C. No. 16 - Gas

Gas Supply Charge (GSC)	Statement Number 68	Effective: November 1, 2008
-------------------------	---------------------	-----------------------------

Incremental Gas Supply Charge (IGSC)	Statement Number 13	Effective: November 1, 2008
--------------------------------------	---------------------	-----------------------------

Large Transportation Service Rate Adjustment (LTSR)	Statement Number 58	Effective: November 1, 2008
--	---------------------	-----------------------------

Small Transportation Service Rate Adjustment (STSR)	Statement Number 58	Effective: November 1, 2008
--	---------------------	-----------------------------

In accordance with PSC Order Issued and Effective October 15, 2008 in Case 08-G-0889 – *Filing by Rochester Gas and Electric Corporation to revise its Transition Cost Surcharge to exclude associated costs with ANR Pipeline Company and Great Lakes pipeline storage assets.*, RG&E is eliminating from the Transition Cost Surcharge, the transition costs associated with ANR Pipeline Company (ANR) and Great Lakes Pipeline Company (Great Lakes) storage assets. This revision is being made because the Company will no longer hold pipeline and storage contracts on ANR and Great Lakes, effective October 31, 2008.

These rates will continue in effect until there are changes in the cost of gas that require modifications.

Very truly yours,
ROCHESTER GAS AND ELECTRIC CORPORATION
