Ms. Del Vecchio,

The company is requesting a postponement for our rate increase filed on or about on April 22, 2008 with the State of New York Department of Public Service . We formal request the date for our rate increase move forward from October 1, 2008 to January 1, 2009. The postponement will allow the company additional time to supply additional documentation to verify the required rate increase. Thank you for your attention and cooperation.

Best Regards,
