Dear Secretary Brilling:

On behalf on the "Dwight Arthur & Betty Lemonik Water System" I am writing you today to submit two requests:

1. By this letter the Dwight Arthur and Betty Lemonik Water System is formally requesting that the Department of Public Service's Water Rates Staff electronically file Leaf 12, Revision 1 to its P.S.C. No. 2 – Water Tariff and all compliance filings related thereto on its behalf. The company is requesting an annual increase in revenues of \$1,672.40 or 207.85%. The effective date of Leaf 12 Revision 0 should be determined by the Department Staff to be the earliest feasible date consistent with the requirements of the State Administrative Procedure Act.

We are also requesting waiver of the requirement of newspaper publication of the proposed changes as we will notify our customers of the proposed changes individually by mail.

2. By this letter the Dwight Arthur and Betty Lemonik Water System is also formally requesting an extraordinary assessment in the amount of \$2,630.10 comprising \$1,315.05 per customer for the replacement of failing critical infrastructure.

Sincerely,

Dwight Arthur, President
