RE: Case 08-E-0203

Dear Secretary Brilling,

Attached please find Revised Leaf Number 6 of PSC No. 1 – Electricity for the Village of Bergen (the “Village”), issued July 22, 2008 to become effective September 1, 2008. This revision is being made so that the Concurrence Tariff will reflect no change in rates or calculation of charges, but will merely bring the Village in line with current municipal electric department tariffs.

As this filing makes further revisions to the Village’s original filing, permission is also requested for a waiver from the Commission’s regulations governing newspaper publication of the further revisions.

The Village asks that questions regarding this filing be directed to:

Frank W. Radigan

Tel: (518) 452-2585

Respectfully submitted,
For Village of Bergen
