Dear Commissioners:

Re: Revision to Public Street and Highway Lighting Approved in Case
05-E-0934

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on July 24, 2008 to become effective November 1, 2008.

P.S.C. No. 15 - Electricity

7th Revised Leaf No. 217
6th Revised Leaf No. 219
5th Revised Leaf No. 221

The purpose of these revised tariff leaves is to remove light fixtures that have had no inventory over the last two years. The fixtures that are listed to be removed are nonstandard lights. For Rates A and B, these fixtures are no longer replaced in kind or installed at new locations.

The removal of these rates does not have a direct customer impact, as these rates are not applied to any existing inventory. As a result, the Company requests that the requirements of 66(12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Amy S. Patel at (845) 486-5433.

Very truly yours,

Michael L. Mosher
Vice President - Regulatory Affairs
