Re: Cases 05-E-0934 and 05-G-0935: Enhanced Powerful Opportunity Program

Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby submits the proposed tariff amendments listed below to become effective September 1, 2007.

P.S.C. No. 15 - Electricity

1st Revised Leaf No. 121
6th Revised Leaf No. 138
7th Revised Leaf No. 165
10th Revised Leaf No. 210

The purpose of this filing is to amend the Company's gas rate schedule to reflect implementation of the Enhanced Powerful Opportunities Program ("EPOP") approved by the Commission in its Order issued and effective March 22, 2007 in Cases 05-E-0934 and 05-G-0935.

While the Company's EPOP proposal submitted on September 8, 2006 addressed the need for tariff amendments, the aforementioned Order did not provide for a compliance tariff filing.

Since the EPOP provisions reflected in the tariff revisions addressed herein have been approved by the Commission, the Company requests that the requirements of section 66((12)(b)) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Stacy Powers at (845) 486-5815.

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
