Dear Secretary Brilling,

By this letter the Robinn Meadows Development Corporation is formally requesting that the Department of Public Service's Water Rates Staff electronically file Leaf 12, Revision 2 to its P.S.C. No.3 – Water Tariff and all compliance filings related thereto on its behalf. The company is filing Leaf 12, Revision 2 to replace Leaf 12, Revision 1, to correct a miscalculation of the increase in annual revenues reflected in the quarterly minimum charge. The company's corrected annual increase in revenues is about \$25,138 or 57.4%. Leaf 12, Revision 2, has the same effective date of March 1, 2007.

We are also requesting waiver of the requirement of newspaper publication of the proposed changes since we will notify our customers of the proposed changes individually by mail.

Sincerely,

Patricia Meyer,  
Robinn Meadows Development Corp.
