Jaclyn A. Brillling, Secretary
NYS Public Service Commission
3 Empire State Plaza Albany,
New York 12223-1350

Dear Secretary Brillling:

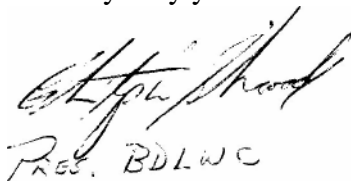

On behalf of Beaver Dam Lake Water Corp. (Beaver Dam) enclosed is Leaf 12 Revision 2 to P.S.C. No. 4 - Water to become effective July 1, 2007. This leaf would allow Beaver Dam to set its own rates, charges and surcharges to cover operating, maintaining and upgrading the water system.

Beaver Dam is requesting an exemption, pursuant to Public Service Law (PSL) Section 5(4), from the rate setting requirements of the PSL Section 89-c. Beaver Dam understands that this exemption is generally given to Homeowners Associations (HOA) and that while it is not an HOA it functions in the same manner. To demonstrate this, Beaver Dam has provided Staff of the Department of Public Service with its by-laws. Beaver Dam believes this satisfies the legislative purpose underlying PSL §5(4),

By this letter it is requested that the Staff of the Water Rates Section file the attached tariff leaf electronically with the Department of Public Service.

Beaver Dam also requests waiver of newspaper publication since it will be notifying its customers by mail.

Very truly yours.
