Re: Cancellation of Leaves Filed in Case 07-G-0133

Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby submits the following gas tariff supplement:

P.S.C. No. 12 - Gas

Supplement No. 27

The purpose of this filing is to cancel the rate leaves filed with the Commission on January 25, 2007 in Case 07-G-0133 despite the fact that the Company believes its request to increase the customer charge for Service Classification No. 9 and 11 customers is in compliance with the November 29, 2005 Order in Case 04-G-0463 which allows for cost recovery of these metering fees through the SC Nos. 9 and 11 customer charge. As the total amount of the increase is not significant, and the Department of Public Service Staff ("Staff") has indicated it will recommend that the Commission reject this filing, the Company hereby proposes to cancel such filing.

Questions related to this filing should be directed to Stacy Powers at 845-486-5815.

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
