RE: Case Nos. 06-M-0647 and 98-M-1343

Dear Secretary Brilling:

Orange and Rockland Utilities, Inc. is filing electronically today with the Public Service Commission (the "Commission") a revised addendum, Addendum-UBP-4, to its Schedule for Gas Service, P.S.C. No. 4 – Gas. Addendum-UBP-4 incorporates verbatim the revisions to Section 2 of the Uniform Business Practices ("UBP") adopted by the Commission in its Order Adopting ESCO Price Reporting Requirements and Enforcement Mechanisms, issued and effective November 8, 2006 ("the Order") in the above referenced proceedings.

The Order approved the following changes to the UBP: §2.D.2 provides for ESCO price reporting requirements; §2.D.3 provides for the suspension of ESCOs from enrolling new customers upon failure to report price information timely or accurately; and, §2.D.4 includes, among its categories warranting the withdrawal of eligibility, ESCO reporting failures that are of a more serious nature.

As directed by Ordering Clause 3 of the Order, Addendum-UBP-4 is being filed on not less than one day's notice to become effective on or before November 30, 2006. As directed by Ordering Clause 4 of the Order, the requirement for newspaper publication has been waived.

Very truly yours,

William A. Atzl, Jr.
