**Re: Special Services at Stipulated Rates-
Charges for Re-inspection**

Dear Secretary Brillling:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") is filing with the Public Service Commission ("Commission") Supplement No. 27 to its Schedule for Gas Service, PSC No. 9 - Gas ("Gas Tariff").

On February 23, 2006, Con Edison filed amended gas tariff Leaf 118.1, Revision 2, in order to include in the Gas Tariff a re-inspection fee to gas contractors when a re-inspection is required after an initial failed final inspection. The revised leaf bore an effective date of June 1, 2006. On May 15, 2006 at the request of the Commission Staff, the Company postponed the effective date of the tariff amendments to August 1, 2006.

At the request of the Commission Staff, the Company has agreed to further postpone the effective date of the tariff amendments to September 1, 2006.

Accordingly, Con Edison is filing today Supplement No. 27, with an effective date of July 28, 2006, postponing the effective date of the tariff leaf filed on February 23, 2006, to September 1, 2006.

The Company requests that newspaper publication of the change proposed by the supplement be waived.

Please direct any questions pertaining to this filing to Alan Schain (212) 460-6826.

Respectfully submitted
