**Re: PWAS #2**

I am filing Purchased Water Adjustment Statement No. 2 in compliance with Commission Order 05-W-0696 to become effective July 1, 2006. This will surcharge each customer \$0.2376/Ccf to recover the 6% increase in the cost of water purchased from the City of Watertown.

You will find attached a copy of a letter I received from the City of Watertown stating the 6% increase in water cost.

You will also find attached a copy of the PWAS #2.

Notification of Water Rate Increase

Dear Mr. Lettiere:

The City Council of the City of Watertown has approved the annual budget for fiscal year 2006-2007.

The budget has been approved with a 6% increase in water rates over the current rate structure, for both inside and outside water customers.

The rate increase will take effect on July 1, 2006. Your August 1, 2006 water bill will reflect the 6% increase.

If you have any further questions, please contact me at 785-7838.

Very truly yours,
