Dear Commissioners:

In accordance with General Information Section 30.B of P.S.C. No. 15 - Electricity, the Revenue Tax Surcharge Statement listed below is filed to become effective February 1, 2008.

P.S.C. No. 15 - ELECTRICITY

Statement of Effective Revenue Tax Surcharge

RTS - 29

The purpose of this filing is to revise the revenue tax surcharge factors applicable in the MTA region to recover the MTA tax imposed on the Company during 2006. The Company estimates that the MTA liability will be fully recovered by the end of January 31, 2008. As a result, the MTA portion of the revenue tax surcharge factor has been set to zero. Any actual over or under collection of the liability will be refunded to or collected from customers pursuant to General Information Section 30.B of the Company's electric rate schedule.

The impact on our customers' bills within the MTA region, effective February 1, 2008, will be a decrease of approximately 0.09%.

Very truly yours,

Michael L. Mosher
