January 31, 2008

Honorable Jaclyn A. Brilling
Secretary
State of New York
Public Service Commission
Three Empire State Plaza
Albany, NY 12223-1350

Dear Secretary Brilling:

Orange and Rockland Utilities, Inc. (the "Company"), hereby submits for filing each of the following statements to its Schedule for Gas Service, P.S.C. No. 4 Gas ("Gas Tariff"):

	<u>Effective Date</u>
Statement of Gas Supply Charge No. GSC-91	February 1, 2008
Statement of Merchant Function Charge No. MFC-17	February 1, 2008
Statement of Natural Gas Vehicle Rates No. NGV-129	February 1, 2008
Statement of Interruptible Gas Rates No. IGR-129	February 1, 2008
Statement of Dual Fuel Gas Rates No. DFR-129	February 1, 2008
Statement of Interruptible Transportation and Supplemental Sales Charges No. ITSS-129	February 1, 2008

These statements were originally filed on January 29, 2008. However, the Company's expected cost of gas for February 2008 has increased significantly. As specified on Leaf 78.1 of the Gas Tariff, a new statement may be filed on one day's notice to become effective not more than five days after the effective date of the initial statement if the replacement of cost estimates in the initial statement with actual figures results in a change in the average cost of gas of more than five percent.

Any questions regarding this filing can be directed to me at (212) 460-3308.

Very truly yours,

William A. Atzl, Jr.
Director – O&R Rates
