Re: Statement Of Merchant Function Charge

Dear Secretary Brillling:

Consolidated Edison Company of New York, Inc. ("Con Edison" or "the Company") is filing today Statement Of Merchant Function Charge No. 6 effective February 1, 2008, replacing the Statement Of Merchant Function Charge No. 5 also effective February 1, 2008. The Merchant Function Charges were revised to reflect a significant increase in the Company's expected cost of gas for February 2008, (as shown in the Gas Cost Factor Statement Number 76), which in turn caused the Uncollectible Components of the Merchant Function Charges to increase.

Statement Of Merchant Function Charge No. 6
for Service Classification Nos. 1, 2, 3 and 13
Effective February 1, 2008

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.

Christine Colletti
Director
Rate Engineering Department
