Fairport, New York, 14450

December 1, 2007

Hon. Jaclyn A. Brilling  
Secretary  
New York State Public Service Commission  
Three Empire State Plaza  
Albany, New York 12223-1350

Dear Secretary Brilling:

In January 2008, the Village of Fairport will cease being a New York Power Authority full requirements customer and will be subject to Public Service Commission jurisdiction. The Village of Fairport hereby files its Concurrence Filing to the New York Municipal Power Agency ("NYMPA") Generic Tariff with the Public Service Commission. In so doing, the Village of Fairport concurs in and agrees to abide by the rules and regulations as set forth in the generic tariff filed by the NYMPA in Case No. 97-E-1575.

The Village requests that the Commission waive its newspaper publication requirement (16 NYCRR 136.70) because the Village's filed service classifications have not been changed.

Village Administrator
