December 1, 2007

Hon. Jaclyn A. Brillling
Secretary
New York State Public Service Commission
Three Empire State Plaza
Albany, New York 12223-1350

Dear Secretary Brillling:

In January 2008, the Village of Westfield will cease being a New York Power Authority full requirements customer and will be subject to Public Service Commission jurisdiction. The Village of Westfield hereby files its Concurrence Filing to the New York Municipal Power Agency ("NYMPA") Generic Tariff with the Public Service Commission. In so doing, the Village of Westfield concurs in and agrees to abide by the rules and regulations as set forth in the generic tariff filed by the NYMPA in Case No. 97-E-1575.

The Village requests that the Commission waive its newspaper publication requirement (16 NYCRR 136.70) because the Village's filed service classifications have not been changed.
