Re: Case 07-G-0299: Capacity Planning and Reliability

Dear Commissioners:

Pursuant to Ordering Paragraph 1 of the Commission's Order issued and effective August 30, 2007 in the above captioned proceeding, Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files the tariff amendments listed below.

P.S.C. No. 12 - Gas

3rd Revised Leaf No. 114  
7th Revised Leaf No. 115  
8th Revised Leaf No. 116  
1st Revised Leaf No. 117.1

These amendments are filed October 1, 2007 to become effective November 1, 2007 on a temporary basis and amend the Company's gas rate schedule to reflect the implementation of mandatory assignment of capacity to Retail Suppliers in accordance with the aforementioned order.

The Company plans to file a revised Gas Transportation Operating Procedures ("GTOP") Manual reflecting the amendments filed herein coincident with the compliance filing in Case 06-G-0059 to be filed on or before October 25, 2007.

Since the amendments listed above do not directly impact customers and Retail Suppliers have been actively involved in this proceeding, the Company requests that the requirements of 66 ((12)(b)) of the Public Service law as to newspaper publication be waived.

Questions related to this filing should be directed to Stacy Powers at (845) 486-5815.

Yours very truly,

Michael L. Mosher
