New York State Public Service Commission  
Three Empire State Plaza  
Albany, NY 12223-1350

Dear Secretary Brillling:

The enclosed tariff leaves, issued by Catherine E. Hanlon, President and General Manager, are transmitted for filing in compliance with the requirements of the State of New York Public Service Commission.

Original Leaf Nos. 111.1, 111.2  
First Revised Leaf Nos. 111, 112, 113, 114, 130, 226 and 287

PSC No. 3 – GAS

Effective November 1, 2007

The tariff leaves are being submitted in compliance with an Order of the Commission issued on August 23, 2007 in Case 06-G-0059 In the Matter of Issues Associated with Gas Curtailment.

The purpose of the filing is to file amendments to the tariff consistent with the Gas Curtailment Guidelines attached as Appendix B of the Order. The tariff leaves are to take effect on a temporary basis and shall not become permanent until approved.

The Company will develop a plan to inform ESCO customers of the changes to the curtailment procedures and, specifically advise them that compensation will be directed to the ESCO if gas is diverted, so that customers may address that issue with their ESCO if necessary.

In accordance with Ordering Clause 4 of the Order, the requirements of the Public Service Law Section 66 (12) (b) as to newspaper publication of the changes proposed by the tariff amendments directed in the Order were waived.

Jaclyn A. Brillling
