June 26, 2007

Secretary Jaclyn Brilling
State of New York Department of Public Service
Three Empire State Plaza
Albany, New York 12223-1350

Dear Secretary Brilling,

By this letter the National Aqueous Corporation is formally requesting that the Department of Public Service's Water Rates Staff electronically file compliance amendments to its P.S.C. No. 1 – Water Tariff, as per the Commission Order issued June 25, 2007 in Case 06-W-1362.

We are also requesting waiver of the requirement of newspaper publication of the proposed changes since we will notify our customers of the proposed changes individually by mail.

Sincerely,

James Barry
National Aqueous Corporation
