RE: Village of Greene Electric Department – Case #07-E-0486

Dear Secretary Brilling:

Attached for filing with the Commission is Leaf 7, Revision 3 to the Schedule for Electric Service P.S.C. No. 1 ELECTRICITY issued by the Village of Greene Electric Department to become effective October 1, 2007. The purpose of this filing is to correct the inadvertent omission of a rate in the original submission filed on April 24, 2007.

The winter rate for over 2,200 kWh is described in Leaf 6 of the original filing but was not listed on the SC No. 2 page (Leaf 7). As this is the only change to the leaf, permission is requested for a waiver from the Commission's regulations governing newspaper publication of the change.

Respectfully submitted,

Village of Greene Electric Department
