Re: Case No. 07-G-0594 – Postponement to Proposed Tariff Filing  
in the Proceeding on a Change to Service Classification No. 19  
by National Fuel Gas Distribution Corporation

Dear Secretary Brillling:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits the following amendment to its tariff, P.S.C. No. 8 - GAS:

Supplement No. 28

The proposed revision is issued as of today for an effective date of October 5, 2007. The Company requests that the Supplement be given “short notice” in order to go into effect on September 21, 2007.

Distribution submitted a tariff amendment proposing to modify its customer aggregation tariff, Service Classification No. 19, Supplier Transportation, Balancing and Aggregation (“STBA”). The proposed revision would authorize a cap on the level of capacity utilized by ESOPs to meet the Company’s firm upstream capacity requirement for STBA service. The sole purpose of this filing is to postpone the proposed tariff amendment filed on May 18, 2007 until October 21, 2007.

For questions relating to this filing, please contact the undersigned at (716) 857-7000.

Respectfully submitted,

Michael W. Reville
