Dear Secretary Brillling:

By letters dated February 24, 2005 and April 25, 2005, Consolidated Edison Company of New York, Inc. ("the Company") filed with the Public Service Commission ("Commission") tariff amendments to its Schedule for Gas Service, PSC No. 9 – Gas ("the Tariff"), to become effective May 20, 2005, proposing to offer a new Winter Bundled Sales Service ("WBSS") program to Service Classification No. 20 Marketers serving firm transportation customers in its service territory.

At the request of the Commission Staff, the Company hereby requests a postponement of the tariff amendments to June 17, 2005.

The Company accordingly files Supplement No. 23 to postpone the effective date of the tariff amendments in its February 24<sup>th</sup> and April 25<sup>th</sup> filings to June 17, 2005. Supplement No. 23 is issued May 6, 2005, with an effective date of June 5, 2005. The Company requests that Supplement No. 23 be put into effect on short notice, on May 20, 2005, and that the requirements for newspaper publication be waived.

Respectfully submitted,
