**RE: Filing to revise Rochester Gas and Electric Corporation's ("RG&E" or the "Company") tariff  
PSC No. 16 – Gas**

Dear Secretary Brilling:

The enclosed tariff leaves, issued by RG&E, are transmitted for filing with the New York State Public Service Commission ("Commission"). This filing is also made in accordance with Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The leaves are issued April 7, 2005, to become effective July 1, 2005. See Appendix 1 for an Index of leaves.

Revisions are being made to RG&E's Service Classification Nos. 5, 7, and 9, under the Retail Access Capacity Program, regarding the Delivery and Storage Redelivery ("DSR") Service, to (1) clarify that an Energy Services Company ("ESCO") buying another ESCO's book of business will assume that ESCO's DSR Service choice, (2) clarify the process for newly qualified ESCOs to elect DSR Service, and (3) delete DSR Service provisions specific to September 2004 that are now obsolete.

The Company requests waiver of the requirement of Section 66(12)(b) of the Public Service Law as to newspaper publication of the proposed tariff leaves since all ESCOs operating on RG&E's system will receive notice of this filing directly.

Please call Curt Roney at (585)724-8252 with any questions regarding this filing.

Very truly yours,
