CHG&E Tariff Filing: Retail Access Collaborative

Dear Commissioners:

In accordance with Commission rules, Central Hudson hereby files the following electric tariff supplement:

P.S.C No. 15 - Electricity

Supplement No. 29

The purpose of this filing is to postpone until May 1, 2005 the effective date of the following rate leaves, which were filed to eliminate the MPC/MPA pricing option for Service Classification Nos. 3 and 13. As a result, these customers will be required to purchase their electricity requirements from the Company under the Hourly Pricing Provision or choose an alternate supplier under the Company's Retail Access Program.
