Re: Tariff Filing by Central Hudson Gas & Electric Corporation  
to Clarify Service Classification No. 10 Provision

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files the attached amended tariff leaf. This amendment, which is set forth below, is filed on October 31, 2003 to become effective on January 1, 2004.

P.S.C. No. 15 - Electricity

3rd Revised Leaf No. 232

By Order of the Commission, issued and effective August 25, 2003, Central Hudson amended the Monthly Distribution Demand Charge of Service Classification No. 10 effective September 1, 2003. By this filing, the Company proposes to make clarifying changes to the language describing the application of the Monthly Distribution Demand Charge.

The Company requests that the requirement of Section 66(12)(b) of the Public Service Law as to newspaper publication of the proposed change be waived as the proposed change merely clarifies the application of the Monthly Distribution Demand Charge and does not impact the scope of Service Classification No. 10.

Questions related to this filing should be directed to Glynis L. Bunt at 845-486-5420.

Yours very truly,

Arthur R. Upright
