Re: Case 00-G-1858 – Further Revisions to Compliance Filing
National Fuel Gas Distribution Corporation

Dear Acting Secretary Brillling:

Enclosed for filing in the above-referenced proceeding are further tariff amendments to implement the requirements of the Commission's Order Establishing Rate and Restructuring Plans issued on September 18, 2003 ("Order") that were erroneously omitted from the original filing on September 26, 2003. The proposed tariff amendments are issued as of today for an effective date of October 1, 2003. The Company request that these tariff amendments be given "one day notice" in order to go into effect simultaneously with the tariff leaves originally filed on September 26, 2003.

Leaf No. 200	Revision 3
Leaf No. 201	Revision 4

For questions relating to this filing, please contact the undersigned at 716/857-7313 or Eric Meinel at 716/857-7805.

Respectfully submitted,

Michael W. Reville
