Dear Acting Secretary Brilling:

Transmitted herewith is the New York State Telecommunications Association, Inc. P.S.C. 2 – Telephone Tariff, which supersedes the New York State Telecommunications Association, Inc. P.S.C. 1 – Telephone Tariff in its entirety.

The issue date of this filing is July 31, 2003 and the effective date is August 31, 2003.

No substantive changes have been made to the NYSTA tariff as result of this filing; however, administrative changes including update of the index and correction of typographical errors have been made. Additionally, due to the requirements of filing the tariff electronically, the pagination of the tariff has been changed.

Updated concurrence and contents pages of Concurring Company tariffs have been filed with the Commission with the same issue and effective dates as this electronic filing. The Frontier subsidiaries will directly submit their own tariff pages affected by this change.

If you have any questions regarding this filing, please call me at (518) 443-2703.

Sincerely,

Caroline Hill
