Dear Commissioners:

The enclosed Statements, which are listed below, are issued by Central Hudson Gas & Electric Corporation to become effective on August 12, 2003, the billing date for the eighth batch of the Company's August 2003 billing cycle, and are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding changes in adjustments.

PSC No. 15 Electricity

Statement of Market Price Charge and Market Price Adjustment	MPC - 23
Statement of Miscellaneous Charges	MISC - 23
Statement of Purchased Power Adjustment	PPA - 23

The factors included in the MPC Statement No. 23 are applicable to energy supplied by the Company and are based on the actual generation required to serve the Company's full service customers during the month of July priced at the New York Independent System Operator Day Ahead Market Price. MPC-23 also includes Market Price Adjustment (MPA) factors corresponding to the reconciliation of energy costs for the month of April 2003 which were collected through the MPC and for which collections were complete in June.

The factors included in the MISC Statement No. 23 are applicable to all energy delivered by the Company, excluding electricity delivered by the Company which is supplied through a Power For Jobs allocation, and are intended to refund to or collect from customers the net benefit or cost of non-avoidable, variable energy related revenues and costs associated with the Company's remaining generation facilities and from mandatory purchases from Independent Power Producers, as well as costs for ancillary services for the month of July. MISC-23 also includes a reconciliation component for April 2003 costs/benefits.

The factors included in PPA Statement No. 23 are applicable to all energy delivered by the Company, excluding electricity delivered by the Company which is supplied through a Power For Jobs allocation and are intended to refund to or collect from customers the benefit or cost, respectively, of the Company's Transition Power and Purchase Power Agreements with the new owners of the fossil generating plants and nuclear generating plant, respectively, previously owned by the Company. PPA-23 also includes a reconciliation component for April 2003 costs/benefits.

Supporting exhibits have been sent to the Commission's staff.

Yours very truly,
Arthur R. Upright
