RE: Housekeeping Filing to Convert NYSEG PSC No. 90 Tariff to Electronic
Format

Dear Acting Secretary Brillling:

New York State Electric & Gas Corporation (NYSEG) hereby files housekeeping amendments to conform with regulations adopted in Case 97-M-0508 (Memorandum and Resolution Adopting Regulations to Permit the Electronic Filing of Tariff Schedules), issued and effective February 1, 1999, and with procedures subsequently implemented by Department of Public Service staff. These amendments enable conversion of NYSEG's existing PSC No. 90 tariff to an electronic format. This new tariff, including its addendum, is proposed to become effective on September 1, 2003.

PSC No. 119 – Electricity, Schedule for Electric Service
(Formerly PSC No. 90 – Electricity, Schedule for Electric Service)
Addendum MET-1
