Housekeeping Changes to Central Hudson's
Electric Retail Access Program

Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files proposed tariff changes to address housekeeping issues related to the Company's Electric Retail Access Program ("Program"). Central Hudson is issuing the attached proposed tariff amendments on June 23, 2003 to become effective on July 25, 2003.

P.S.C. No. 15 - Electricity

5th Revised Leaf No. 142
2nd Revised Leaf No. 142.1

Housekeeping Changes

The purpose of this filing is to change the reference to the Company's consolidated billing style from a Bill Ready format to a Utility Rate Ready format. Central Hudson does not have any customers receiving consolidated bills and the proposed change is intended to align the wording in our tariff with the actual billing procedures that are being created through the EDI process.

Because of the housekeeping nature of this filing, the Company is requesting that the requirements of 66((12)(b)) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Patricia M. Buck at 845-486-5244.

Yours very truly,
Arthur R. Upright
