Re: Case 03-M-0117– New York State Electric & Gas Corporation -  
Compliance Tariff Filing

Dear Secretary Brillling:

New York State Electric & Gas Corporation ("NYSEG") hereby submits for filing the following enclosed tariff leaves in compliance with the New York Public Service Commission's ("Commission's") Order Modifying Suspension Fees And Other Tariff Provisions And Granting Further Relief, issued October 25, 2004 in Case 03-M-0117 (the "Order"). This filing is also made in accordance with Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H).

PSC No. 119 – Electricity  
Leaf No. 69.2, Revision 3

PSC No. 90 – Gas  
Leaf No. 34.3, Revision 2

Effective: November 24, 2004

In compliance with Ordering Clause No. 1 of the Order, NYSEG has modified the above stated tariff leaves to update previously filed suspension fees with newly calculated suspension fees. The updated fees were calculated by applying the applicable GDP inflation factor to the currently effective electric and gas reconnection fees that had last been updated in 1985 and 1984, respectively. Work papers detailing the inflation factors are attached to this filing.

Pursuant to Ordering Clause No. 3 of the Order, the above leaves have also been modified to remove language referring to "attempted" suspensions. ESCOs will be charged only for completed suspensions. It should be noted that no suspension requests have been received, therefore no fees for attempted or completed suspensions have been charged to ESCOs, and no refunds are required.

NYSEG's current tariff requires that an ESCO only be charged one half of the suspension fee when physical termination is being made simultaneously on behalf of both NYSEG and the ESCO, therefore no additional tariff changes are required for compliance with Ordering Clause No. 4.

According to Ordering Clause No. 6 of the Order, the requirement of Section 66(12)(b) of the Public Service Law as to newspaper publication of the proposed tariff amendments has been waived.
