Case 03-M-0117 – Implementation of Chapter 686 and Pro-ration

Dear Secretary Brillling:

Enclosed for electronic filing is the following tariff leaf issued by KeySpan Gas East Corporation d/b/a KeySpan Energy Delivery Long Island to become effective on July 21, 2004:

Third Revised Leaf No. 63.1

To Schedule for Gas Service, P.S.C. No. 1-GAS.

The purpose of this filing is to correct an omission inadvertently resulting from our filing on July 9, 2004. Following discussions with PSC Staff, the Company's intention in connection with the filing of July 9, 2004 was to transfer responsibility for the charge for a customer reconnection following an ESCO-initiated suspension of service from the ESCO to the customer. After reviewing our filing, we found that the customer's responsibility for the charge was not clear in the tariff. By this filing, we propose to clarify such intention.

If you have any questions about this filing, please contact Dawn Herrity at (718) 403-2975 or [dherrity@keyspanenergy.com](mailto:dherrity@keyspanenergy.com).

Respectfully submitted:
