Dear Secretary Brilling:

By this letter Misty Hills Water Corporation is formally requesting the Department of Public Service's Water Rates Section to electronically file, on its behalf, a new electronic tariff schedule containing the company's current rates in Service Classification No. 1 and Escrow Statement No. 1 containing the current escrow in effect with more up to date language. The new electronic tariff schedule proposed effective date is August 1, 2004. In addition, the company is requesting that Staff of the Water Rates Section file, on its behalf, all compliance supplements, leaves and statements as ordered by the Commission.

We are requesting a new restoration of service charge of \$50 for normal hours, \$75 for after hours and \$100 for weekends and holidays and a charge for processing all returned checks equal to the bank charge plus a handling fee of \$5.00 (not to exceed the maximum allowed by section 5-328 of the General Obligations Law).

We are also requesting waiver of the requirement of newspaper publication of the proposed changes since we will notify our customers of the proposed changes individually by mail.

Sincerely,

Hugh Knickerbocker, President  
Misty Hills Water Corporation.
