Re: Housekeeping Changes:

Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files proposed tariff changes to address housekeeping issues. Central Hudson is issuing the attached proposed tariff amendment on April 21, 2004 to become effective on June 7, 2004.

P.S.C. No. 15 - Electricity

11th Revised Leaf No. 3

Housekeeping Changes

The purpose of this filing is to modify the Company's Table of Contents to include the reference to the Uniform Business Practices in the Addenda Section. This change was inadvertently omitted when the Company added the UBP Addenda to the tariff in its February 19, 2004 filing.

Because this is a housekeeping filing, the Company requests that the requirements of 66(12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Patricia M. Buck at 845-486-5244.

Yours very truly,  
Arthur R. Upright
