Re: Housekeeping Changes: Residential Estimated Bills and Backbilling

Dear Commissioners:

Housekeeping Changes

Central Hudson's electric tariff does not contain all of the provisions related to estimated bills and backbilling for residential customers as defined in Title 16 NYCRR Part 11 Sections 13 and 14 of the Home Energy Fair Practices Regulations (HEFPA). The purpose of this filing is to incorporate the provisions which were inadvertently excluded from the Company's tariff to correctly reflect the HEFPA regulations.

Because this is a housekeeping filing, the Company requests that the requirements of 66(12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Patricia M. Buck

at 845-486-5244.

Yours very truly,

Arthur R. Upright
